

February 16, 2018 - Our new extensions let you search for and insert Pixabay images into your creative projects directly from within Photoshop and Microsoft Office. These new Pixabay extensions can be found on the Share tab of the Pixabay site. This will allow you to insert Pixabay images into Word, Power Point, PowerPoint, OneNote, Writer, GIMP, Blender, and other text or image programs. We've added support for the most popular extensions to our new extensions, and they work with Word, Power Point, PowerPoint, WordPerfect, OpenOffice, Libre Office, Blender, and more. We look forward to continuing to work with you.
